

# Elevate the Potential of Your Data & Technology Through Our **Data & Tech Micro Audit**

## Discover Your **Best Next Step**

This focused audit seeks to answer your most pressing question or address a specific need. Better engage stakeholders by identifying a quick win, large gap, or key insight within your technology, data, and business processes.

### USE THIS FOCUSED AUDIT TO:

- Identify duplicative or underutilized technology
- Uncover data hygiene and trust issues
- Find business process friction points and blockers
- Identify and rate areas of risk
- Recommend short-term but large-impact improvements within your existing capacity

## Who is PTKO

We help teams accomplish more with their audiences.

We partner with mission-driven organizations to assess, select, and use data, technology, and talent in ways that build operational resilience and keep stakeholders central to the organization and its operations.
